We do not have responsibility with content of this book.

Gerald Samper, an effete English snob, has his own private hilltop in Tuscany, where he whiles away his time working as a ghostwriter for celebrities and inventing wholly original culinary concoctions – including ice cream made with garlic and the bitter, herb-based liqueur of the book's title. Gerald's idyll is shattered by the arrival of Marta, on the run from a crime-riddled former soviet republic. A series of hilarious misunderstandings brings this odd couple into ever closer and more disastrous proximity.

James Hamilton-Paterson's first novel, "Gerontius," won the Whitbread Award. He is an acclaimed author of nonfiction books, including "Seven-Tenths," "Three Miles Down," and "Playing with Water," He currently lives in Italy.
